

April 27, 2022

To: Clatsop County Board of Commissioners,

I am reaching out to voice my hope to continue to take advantage of short-term vacation rentals in your area. My family meets yearly in Gearhart for Thanksgiving at a wonderful vacation home. The house allows us to all stay together with our adult children and grandchildren while enjoying a common living area for our meals, do a puzzle and play games. This would not be feasible if we were required to rent hotel rooms.

We also enjoy the beautiful beach, going out to dinner, picking up meals and shopping at local stores.

I truly hope that we will be able to continue to rent our favorite home in Gearhart to keep this family tradition.

Thank you for considering keeping short-term rentals available to those of us that are not fortunate enough to own a vacation home.

Sincerely,

Terry Shelley
